To Whom it May Concern:

I would like to recommend Sara Levy for a position at your medical facility. I have had the distinct pleasure of having Sara as a Long Island University student in my Pediatric Clinical rotation at Maimonides Medical Center. Sara is an extraordinary young woman, who is ambitious and eager to pursue a career in nursing.

Being a Pediatric nurse myself, it is obvious to me that Sara shares my enthusiasm for the pediatric population. She is caring and understanding with the parents, and patient and empathetic with the children.

During the semester, I have had the opportunity to witness Sara developing her clinical skills and knowledge. Sara possesses outstanding organizational skills, and has been proactive with all of her assignments and deadlines. She has demonstrated her leadership abilities in her interactions with her classmates, who respect her, and hold her in high esteem.

In conclusion, I would like to restate my strong recommendation for Sara Levy. Her positive attitude, maturity and confidence make her an excellent candidate for your program.

Thank you for the opportunity of correspondence.

Sincerely,
