To Whom It May Concern:

I have had the distinct pleasure of working with and having many dealings with Ms. Sara Levy in her capacity as both Admissions Counselor and Associate Director of Admissions for Lander College. As Director/ Department Chair of the Graduate Speech Program in Speech-Language Pathology, I have been in constant contact with Ms. Levy in reference to prospective and incoming students. She has been a great asset to our program in recruiting prospective students, aiding our students in the application process, such as advising them on classes needed, and in general, all matters pertaining to the entire application process.

In over six years of working with Ms. Levy, I found her to be extremely professional, knowledgeable and bright. She had the distinct ability to attend to every detail and all requests were handled quickly and efficiently. She took the time to learn about our program and our needs, and all direction given was followed.

I feel she will be a great asset to any program she works for and will be sorry not to have the opportunity to be working with her in the future.

If you have any further questions, please feel free to contact me at 718-787-1602, Ext. 203.

Sincerely,

Hindy D. Lubinsky, M.S., CCC-SLP, TSHH
