

March 20, 2014

Dear Colleagues,

I had the pleasurable experience of mentoring Sara Levy during her clinical rotations. She is very professional in her demeanor. Sara has excellent interpersonal skills and her clinical knowledge base exceeds expectations of being a new graduate. During her clinical rotation with me she asked excellent questions and was very enthusiastic. It is my professional opinion that she will be an excellent nurse one day and a future nursing leader. I support her goals and I highly recommend her for this position.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas Todaro".

Thomas Todaro, RN, MA, MS, ANP/CNS, NM
