Dear Sara,

Thank you for responding to my invitation and participating yesterday, in what was an important and productive meeting with Chief of Staff David Raab. He now has a much better appreciation of our situation and the challenges we face. After the final meeting with students, which concluded at 6PM, I spent 40 minutes doing a comprehensive building and office tour with him.

I appreciate your support.

Robert Goldschmidt
Vice President for Planning and Assessment
And Dean of Students
